

GREENWOOD NEWLETTER

JUNE 2011

Recycling – Universal recycling (by order of the State of Delaware) will begin in September. It is mandatory for municipalities to participate but residents are not required to participate. The Town will be purchasing containers for you to put your recycling in should you choose to. The recycling will be picked up by M-T Trash, our normal trash hauler. The recycling pick-up will not begin until after September 1st.
More to follow.

Yard Waste – Effective January 1, 2011 our trash company can no longer accept yard waste of any kind that is put out with your regular trash. Our trash hauler M-T Trash has a program for residential yard waste removal. It is an agreement between the individual resident and/or homeowner and M-T Trash. Call M-T Trash for further details. Their phone number is 302-337-7700.

Big Saturday – The Big Saturday festivities will be held on Saturday September 3, 2011. If anyone would like to volunteer to help with the big day or to receive an application, please contact Frank Paquette at 302-349-9065. If you are having a yard sale in Town please let us know so we can put your location on the map. Please see our website for vendor form.

Grass Ordinance – The Town of Greenwood has a grass ordinance. As spring turns into summer please keep in mind to cut your grass when necessary. Anything in excess of 8 inches in height will cause you to receive a notice about cutting your grass. Then if it is not cut within the required time the Town will cut it and bill you for the cost. Also, as a reminder, the water meter that was installed on your property was paid for by the Town of Greenwood. If you or someone else cutting your grass damages the water meter, the next meter will be billed to your account.

Sewer Cutoffs – The sewer cutoffs located on your property are your responsibility to maintain. If the top is broken off, the Town will replace the first one. After that we will fix the problem and you will be billed for the cost.
